

1. Kategoria oferty: Praca
2. Temat/ stanowisko pracy: .NET Developer - Internship
3. Nazwa firmy/ organizacji: ABB
4. Lokalizacja/ miejsce pracy: Starowiślna 13 Kraków
5. Branża: Corporate Technology Center
6. Pełny opis oferty: ABB Corporate Technology Center – .NET Developer - Internship

At ABB, we have the clear goal of driving diversity and inclusion across all dimensions: gender, LGBTQ+, abilities, ethnicity and generations. Together, we are embarking on a journey where each and every one of us, individually and collectively, welcomes and celebrates individual differences.

At Corporate Technology Center in Kraków we create innovative solutions, implemented in ABB products and systems. It is a unique opportunity for you to join interdisciplinary scientific teams and international projects where expertise, curiosity and innovation are valued.

We offer:

- Paid internship;
- Exciting work environment for further professional development;
- Work in an employee-oriented company.

Your responsibilities

Designing and developing greenfield product using microservices architecture and Docker; Participating in the whole software development lifecycle from analysis, design via implementation, testing to delivery, following best DevOps practices; Working in a cross discipline team, using agile development methodology that requires active participation in all team's activities.

Your background

Student of IT (preferably 3rd or 4th year); Hands-on experience using C# language with .NET/.NET Core; Basic understanding of SOLID principles, design patterns, tools, data structures; Familiarity with relational and non-relational databases; Experience in using Git; Good oral and written communication skills in English; Knowledge and experience in web technologies development (HTML 5, CSS 3, JavaScript or TypeScript, React.js) will be an asset.

More about us

We look forward to receiving your application. If you want to discover more about ABB, take another look at our website [www.abb.com](http://www.abb.com).

Important, please include in your CV the following passage:

"I hereby give consent for my personal data included in my application to be processed for the purposes of the recruitment process under the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)".

"I also consent to processing of my personal data for the purposes of any future recruitment processes".
