

I discovering new possibilities in IT

Join Start in IT paid development program!

Start in IT Development Program - Junior Consulting Analyst

(Recruitment process for this position and onboarding trainings are conducted online.)

Start your career in IT with us! If you dream about become IT expert but don't have or have only a slight previous experience in IT – this program is for you.

What do you need to start?

- Basic understanding of at least **one from** areas:
 - PowerPoint skills, conducting workshops
 - Business analysis
 - ITIL, process modeling
 - MS Visio, MS Project
 - ServiceNow
- Very good English language skills (at least B2)
- Availability – 20 hours per week, starting from May
- Be a graduate or 5th-year student

What duties will help you grow as an expert?

You will have the opportunity to work with senior consultants on multiple projects and assist in multiple consulting activities. You will be developing skills in service management processes, tools, project activities, preparing some basic workflows, managing trainings, and many other areas. You will be a part of a very dynamic team of professionals, which will open you to many specializations and allow you to find your own development path.

What your development path can look like?

For a start, we offer you a part-time employment contract for six months, starting from May. During that time, you will develop your knowledge in IT, or get it from the scratch. After the program, you will have a chance to extend your contract full-time.

What have we prepared for you?

Space where you can develop yourself:

- Development programs, external courses, education & certificates co-funding, NEXT platform with free access to Pluralsight, TED talks, Coursera materials, and virtual trainings: e.g. MS Azure, AWS, Google or ServiceNow.

Our legendary atmosphere:

- We don't have a rigid dress code, but what we do have are awesome communities and world– changing initiatives like Grant Program.

A lot of benefits:

- Home office: it's your choice when you want to work from home.
- Private medical care which can be extended by a package of dental services purchased on preferential terms.
- Private life insurance which can be extended by oncology package purchased on preferential terms.
- Referral bonuses for recommending your friends to Capgemini.
- Access to Inspiro Audiobooks & MyBenefit (cinema tickets, Multisport and more).
- Offices in great locations, car leasing program, carpooling options and bicycle parking.

Who are we?

Capgemini is a global leader in consulting, technology services and digital transformation. Our scope is wide. One of the teams is Projects & Consulting - part of a business unit called Cloud Infrastructure Services.
