

1. Kategoria oferty: Praca

2. Temat/ stanowisko pracy: Robotics engineer - Internship

3. Nazwa firmy/ organizacji: ABB

4. Lokalizacja/ miejsce pracy: Starowiślna 13 Kraków

5. Branża: Corporate Technology Center

6. Pełny opis oferty: Take your next career step at ABB with a global team that is energizing the transformation of society and industry to achieve a more productive, sustainable future. At ABB, we have the clear goal of driving diversity and inclusion across all dimensions: gender, LGBTQ+, abilities, ethnicity and generations. Together, we are embarking on a journey where each and every one of us, individually and collectively, welcomes and celebrates individual differences. ABB Data Privacy Statement: <https://new.abb.com/privacy-notice/candidate>

Corporate Technology Center located in Krakow is one of seven ABB research units in the world. Here we create innovative solutions for our products and systems. It is a unique opportunity for you to work on international projects in interdisciplinary scientific teams. To our team we are looking for students of technical universities.

Your responsibilities:

- Designing and building robotic systems;
- Developing and implementing control software;
- Testing robotic systems;
- Creating accurate documentation.

Your background

- 2nd-4th year student of technical studies (robotics, electrical engineering, automatics, mechatronics);
- Experience in developing robotic systems;
- Knowledge of the basics of electrical engineering, construction of electrical devices and machines;
- Computer science skills;
- Ability to create CNC programs that support the processing of mechanical components;
- Good work organization - independently and as part of a team;
- SEP qualification certificate up to 1 kV will be the advantage.

More about us

We look forward to receiving your application (documents submitted in English are appreciated). If you want to discover more about ABB, take another look at our website www.abb.com. #LI-Hybrid
We offer:

- An interesting internship in a company promoting innovative and modern technologies;
- Paid internship;
- Flexible working hours;
- Work in an employee-oriented company;
- Friendly work environment with great team spirit.
